Dear Ali,

We would like to thank you for the amazing trip on the Nile you gave us yesterday. The meal on your boat, "Tom and Jerry" was wonderful as was the visit to Banana Island.

We also enjoyed our visits to the Valley of the Kings, the Valley of the Queens and Dendera Temple that you arranged for us. Our guide on all these trips was Yasin and we had her undivided personal attention. We would not have received the same attention had we booked with a company offering "mass tours".

Thank you so much for helping to make our stay in Luxor such a good one.
