

To whom it may concern, if you are reading this then you are with Captain Ali on either Feluca Astrix or Tom and Jerry. We first came to Luxor in 2002 and first met Ali, you can be assured whatever Ali says he will do he keeps his word, he is very true and reliable and a very nice person to know, we know this as we have been coming to Luxor every year for 4 years now, we have been to many places with Ali on his Feluca and more recent on Tom and Jerry. Today is Sunday 16<sup>th</sup> April 2006 we are meeting Ali in half hour to go on another Nile trip and a meal, we have no doubt what so ever we will have a most enjoyable day, do not be in any doubt what so ever to let Ali make your holiday special, by by until next year,
