Dear Ali Abdu,

We wish to congratulate you on ensuring our short stay in Luxor was one of the most organised and informative due to your excellent guidance and flexibility.

We have thoroughly relaxed during our stay and are most delighted to recommend your services to fellow visitors to your beautiful country. We will most certainly be in touch when we arrange our stay in Cairo for your further excellent assistance.

The tour you arranged for us to the Valley of the Kings, Queens, Arsenens & Nobles was both private & thorough & the hot air balloon experience was wonderful and unforgettable. Your continued hospitality & friendship will always be treasured.

Wishing you good fortune for 2005

Your friends

Lain & Louise
